IN THE MATTER OF:

ATTACHMENT TO APPLICATION
FOR SEARCH WARRANT

400 Marshall St
Greensboro, North Carolina

I, N.B. Fisher, herein referred to as affiant have been a Law Enforcement Officer employed with The City of Greensboro Police Department located at 2602 S. Elm-Eugene St., Greensboro, North Carolina for over eight years. I am currently assigned to the District Two Community Resource Team of the Department. Since becoming a Police Officer, I have made numerous narcotics and firearms related arrests involving the illegal possession and sales of controlled substances. I am familiar with persons and methods of drug/weapons sales in Greensboro, North Carolina. I am also familiar with the way narcotics are packaged and sold. I completed Basic Law Enforcement Training given by the Greensboro Police Department. I have attended numerous narcotics schools including Criminal Interdiction sponsored by CarSmart, Police Law Institute (PLI), and Advanced Interview and Interrogation. In addition to the above qualifications, I have also received my Advanced Law Enforcement Certificate from the North Carolina Criminal Justice Education and Training Standards Commission.

~~During the week of September 19th 2016, I received a citizen complaint in reference to the house at 400 Marshall St selling illegal narcotics. This complaint was received through the Chief's Office and assigned to me.~~

There have been numerous complaints for this address in reference to an on going issue with the sale of illegal liquor by the drink. Based on the calls for service history, there have been four citizen complaints for this address in 2016.

On 9/22/2016 at approximately 2123 hours I along with the District Two CRT team responded to attempt a consent search of the residence. Upon my approach of the residence I smelled a strong odor of what I knew to be Marijuana through my training and experience coming from the residence. I then encountered two females on the side of the house leaving the residence from the rear of the house. One female had a clear plastic cup with a small amount of liquor in it. The female advised that she did not live at the house and was leaving. I advised her to leave the cup and then walked to the rear of the residence where there were several subjects standing on the back porch area and in the yard. I continued to smell a strong odor of Marijuana on the exterior of the residence as I approached the rear and several subjects went into the residence. Due to the extremely strong odor of Marijuana on the exterior of the residence, these subjects are believed to

have been smoking Marijuana near the rear door of the residence and retreated inside upon sight of Police. As I went to the rear of the house I observed two garbage cans overflowing with beer cans, liquor bottles, and cardboard containers that cases of beer come in. Also in the back yard I observed numerous empty cans of Bud Light, Budweiser, and Natural Light beer cans. I made contact with a male subject at the rear door and asked to speak with the owner of the residence. The subject then went inside and a short time later the owner came to the back door. I observed approximately 10-12 people inside the house going room to room and each had the same clear plastic cups with what appeared to be liquor inside. Through my training and experience, I know this activity to be consistent with the operation of an illegal liquor house. I also observed a large amount of visible smoke inside the house while waiting on the owner.

A short time later I made contact with the owner of the residence and he was identified as Mr. Patrick Clemmons, B/M DOB 9/19/1972. Mr. Clemmons stated that he owned the house and has lived there approximately four years. Mr. Clemmons was heavily intoxicated but coherent. I explained the complaint to him and also advised him of the smell of Marijuana I smelled when I approached his residence and the subjects I observed with plastic cups of liquor on his property. I explained to Mr. Clemmons that I would like to search his residence with his consent based on the previously stated facts but he denied consent to search.

Officers then entered the residence and secured the scene to assure there were no other subjects inside and no evidence was being destroyed. During the initial sweep of the house, Officer J.L. Beavers advised that he observed the kitchen of the residence has been modified in a way to serve alcohol. Officer Beavers advised that a half door has been added onto the kitchen entryway to serve as a bar entrance. Officer Beavers also advised that he observed a large amount of open liquor bottles sitting on the kitchen counter by the sink. He also observed a wooden board laid across the sink with a bottle opener laying on it and money in the sink. The board appeared to be used to sit the plastic cups on to pour customer's liquor by the drink.

All subjects inside were detained after completing the initial sweep to secure the house. While frisking a blue leather chair in the second room to the right after entering the rear door of the residence, Officer Beavers located a small plastic bag of Marijuana stuffed between the chair cushions. Officer Beavers had to frisk this chair after detaining the suspects so that they could have a place to sit.

applicants training and experience, and participation in other narcotic and illegal alcohol sales investigations, it is common for subjects to conceal weapons on their persons, in their residences, and businesses. These weapons include but are not limited to: handguns, pistols, rifles, shotguns, machine guns, and other weapons. Said firearms are used to protect and secure a drug dealers property. Such property may include but is not limited to: narcotics, drug paraphernalia, jewelry, books, records, and U.S. Currency, alcohol, mixers, shot glasses, and plastic cups.

I have been involved in numerous search warrant cases in the time I have been an officer. I have found that paraphernalia used to measure, weigh, or analyze controlled substances and illegal alcohol has been found in nearly every premise that has been searched. This applicant has found that in the majority of searches for controlled substances and illegal alcohol sales that written and typed transactions have been found kept on paper, napkins, checkbooks and notebooks of various sizes and shapes.

The affiant has been able to verify the following:

1. Marijuana is included within Schedule VI of the North Carolina Controlled Substances Act.
- * 2. Illegal narcotics and more specifically Marijuana have been kept/used in the residence.
3. There have been 4 citizen complaints for 400 Marshall St in 2016.
4. The owner of the residence has been identified as Mr. Patrick Leon Clemons, B/M DOB 9/19/1972
- * 5. Mr. Clemons has a lengthy criminal history including Possession/Sale of Alcoholic Beverage with no permit, Possession/Sale of non taxed liquor, Assault with a Deadly Weapon Inflicting Serious Injury, Assault on a Female, Intoxicated and Disruptive, Assault Inflicting Serious Injury, Resisting a Public Officer, and Carrying a Concealed Weapon.
6. Mr. Clemmons does not have a license to sale alcohol nor is there an ABC permit for 400 Marshal St.
